Gary, thanks for checking into this! The server would need to have Intel's FORTRAN compiler installed on it.

Subject: Request for server assistance

Hi Gary,

     This note is to let you know that Randy Parker of ORD's Cincinnati office is looking into whether ORD could host some server capability to help with the San Jacinto Waste Pits site. Randy is also very knowledgeable on funding arrangements and agreements, so he would be able to provide great advice there. I've copied Randy so that he knows you are the RPM in question. He will get back with us when he gets an answer. Thanks.

Terry Burton
